Category B: Poster for Art Healing

In Category B we invite artists to create posters that explore the theme of art healing. The healing arts are creative practices that foster wellness, coping, and personal transformation. These practices traditionally include music, art, dance, poetry, writing, and drama therapies, all known for their ability to soothe the mind and uplift the spirit.

For this category, we encourage you to use poster art as a medium to convey the positive power of these healing arts. The goal is to create designs that resonate with viewers, offering them a sense of comfort and inspiration. Through your creativity, both you as the artist and your audience can experience the therapeutic benefits of art.

Whether your poster captures the calming essence of music, the vibrant energy of dance, or the introspective nature of writing, your work can make a profound impact. Embrace this opportunity to contribute to the healing journey of others and to highlight the transformative potential of the arts.

Category C: Poster for Food

In Category C we invite artists to delve into the theme of food through their poster designs. Food is a universal language that connects cultures, evokes emotions, and tells stories. We encourage you to explore the diverse and rich aspects of food—from its cultural significance to its role in bringing people together, to its impact on health and the environment.

Whether you choose to depict the vibrancy of global cuisines, highlight sustainable food practices, or celebrate the simple joys of a shared meal, your poster should resonate with viewers, sparking thought and conversation around the theme of food.

Let your creativity run wild as you capture the essence of food, whether through bold visuals, imaginative concepts, or thought-provoking messages. Your poster could inspire others to appreciate the beauty and significance of food in our lives, making it a powerful medium for artistic expression and connection.

Category D: Poster for Future

In Category D, we invite artists to explore the vast and intriguing theme of the future through their poster designs. The future is a canvas of possibilities, dreams, and visions—whether it's imagining technological advancements, envisioning a more sustainable world, or contemplating the evolution of human society.

Whether your vision is utopian, dystopian, or somewhere in between, we encourage you to explore the depths of your imagination and convey your unique perspective on the future. Let your art inspire conversations about what's to come and how we can shape it through creativity and foresight.

Category E: Poster for Culture Diversity

Category D celebrates the diversity and richness of cultures worldwide. Design posters that showcase the beauty, traditions, and stories that define different cultures, promoting cultural understanding and appreciation. **From Art, Music, Literature to History**, let's celebrate the diversity of our culture.

Category G: Poster for UN SDGs topics

Category B invites participants to create posters based on the [United Nations' 17 Sustainable Development Goals \(SDGs\)](#). Utilize your artistic skills to shed light on these significant issues and inspire positive change. We encourage participating designers to [explore the SDGs \(click\)](#) as they can greatly inspire your creative process and lead to meaningful artwork. You may choose one of the SDG topics and create inspiring posters to help raise awareness about social issues. Let your creativity contribute to making a difference in the world.

The SDGs are: No poverty; Zero hunger; Good health and well-being; Quality education; Gender equality; Clean water and sanitation; Affordable and clean energy; Decent work and economic growth; Industry, innovation and infrastructure; Reduced inequalities; Sustainable cities and communities; Responsible consumption and production; Climate action; Life below water; Life on land; Peace, justice, and strong institutions; and Partnerships for the goals.
